

I understand that Sinclair Broadcasting is requiring their stations to air an anti-Kerry program two weeks prior to the election. This seems to me to be a clear example of a media giant acting in a totally partisan manner and not in the general public interest.

I believe that Sinclair is obligated by law to serve the public interest. Their order to their stations should not be allowed. Please require them to follow the law. If they violate the law then please do not renew their public interest licenses to broadcast.

Thank you.
